Junior Concerts

Monday 14th and Tuesday 15th December	Years 3, 4, 5 and 6.	Junior Christmas Concerts 2.00 p.m.
--	-----------------------------	--

This year we will again be using Mount Zion chapel as the venue for our two Junior concerts. We are very grateful to the Elders and Pastor for allowing us to use the chapel and it will be fitting that the pupils will perform a Christmas Concert with a twist. The dates and times of the performances are listed below. We are able to accommodate up to 230 people in the audience for each performance. The majority of the seats will be upstairs with the children singing from the pulpit and front pews. We will have limited seating available for those with mobility problems who may find climbing the stair to the gallery difficult. **You will be allocated TWO tickets for each concert.** Tickets will be available from the school secretary from Friday 4th December onwards. Any unsold tickets will be made available for general release from Wednesday 9th December. Tickets are priced at £2.00 each we will include a donation to the Chapel for the use of the facility and for heating the building. I am afraid that we will be unable to refund any ticket money if your child is absent.

Mrs Johnson has asked all pupils to wear **Christmas Jumpers or T Shirts** for the performance. Our intention is to create "a Carol Sing-a-long where pupils come around the houses singing Christmas songs to the residents" however we will ask all adults to bring something to write with as you will need to participate as well. As you know we don't ask parents to buy specific clothing for any school event any bright jumper, shirt or T shirt will be acceptable; however, we will ask you not to display any prominent logos or words on them. Please will you not send pupils in jeans.

We will, unfortunately, be unable to accommodate any babies or toddlers as there will be no room for them to sit on laps during the concert or for any prams, pushchairs and buggies. I would appreciate your co-operation in this matter.

We are holding both concerts during school time this year as, despite requests, a large number of pupils do not attend the evening performance. This does create an imbalance and hopefully we will have all the Junior pupils contributing this year. I understand that this may not be popular but it does not seem fair that a significant number of pupils are absent from one concert and other commitments such as rugby and dance are given preference to school productions. Pupils will walk home after each performance unless a family member is attending the concert.

Please complete the booking form below and send to school with the correct money. Your tickets will be returned by your child at the end of each day

Yours sincerely
