Child Protection Notice

Gelli Primary School will work with the children, parents/guardians and the community to ensure the children's safety and security is paramount.

We work under the protocols agreed with the Cwm Taf Safeguarding Children's Board works to protect children and young people under the age of 18 from abuse and neglect.

Where staff or others need to raise concerns, these can be to the Head teacher / Designated Person for safeguarding who will coordinate a response. Concerns can be raised directly with Rhondda Cynon Taff Children's Services but we would advocate contact with the Headteacher / Designated Person first.
