

TREORCHY COMPREHENSIVE SCHOOL

YSGOL GYFUN TREORCI

Dear Parent/carer,

Year 6 Virtual Induction Evening

Thursday 4th March 6pm

I am pleased to invite you to join us for an 'On-line' presentation and Question & Answer session on Thursday 4th March at 6pm. This, along with resources placed on the school website ([www.treorchycomp.org.uk/Year6 transition](http://www.treorchycomp.org.uk/Year6_transition)), will allow you to find out what our Year 6 pupils need to know before they join Treorchy Comprehensive School in September.

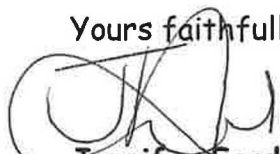

By attending the Induction evening you will have the opportunity to ask questions using the e-mail address transition@treorchycomp.org.uk and have them answered by myself, Mr Morgan (Transition Coordinator) and the Head Boy & Head Girl.

On the website you will have the opportunity to:

- listen to current Head boy & Head Girl and Year 7 students speak about their experiences at Treorchy Comprehensive School,
- watch information videos about the school,
- undertake a virtual tour of the school,
- access the school prospectus and other resources.

The link for the evening will be available on the Year 6 Transition page of the website and I hope you will make every effort to attend and I look forward to you joining us on the evening.

Yours faithfully,

Jennifer Ford
Headteacher
