

Newsletter 4.5.2021

Dear Families

I know it hasn't been long since our last newsletter but there is lots of news to share!

Deputy Head

I am sure you all know that Mrs Adams has been working from home and she continues to do so. For a few weeks we are going to be in the very fortunate position to have two Deputy Head Teachers, Mrs Adams and Mrs Fraser. When Mrs Adams begins her maternity leave Mrs Fraser will continue as Deputy. Mrs Fraser will also continue in the role of ALNCO. Can I thank Mrs Adams for everything she has done and continues to do as Deputy and welcome Mrs Fraser to the role. I am sure you will all give her your support.

G4 club

We had a great response for families wanting to use G4 club and Miss Pennington and her team will be opening next Monday the 10th of May. The club will contact parents directly and the club will be opening a closed facebook page to keep you all informed. If there is anyone wanting more information or to see if there are spaces please just give us a ring.

Google Form

Mrs Adams sent you all a Google form via text last week to ask for your help. In our last newsletter we explained we are busy looking at the building blocks of the new curriculum for Wales. These building blocks are called the Four Purposes. Our curriculum is going to be based around giving our learners the skills and understanding to:

- Become Ambitious and Capable learners so that children will be ready to learn throughout their lives
- Be healthy, confident individuals so they are ready to lead fulfilling lives as valued members of society
- Be enterprising and creative individuals who are ready to play a full part in life and work
- Be ethical, informed citizens who are ready to be citizens of Wales and the World.

We have already had 75 responses which is amazing and your answers will help us to plan ahead and get ready for the Curriculum. If you want to take part but haven't had chance yet the link you need is:

INSET days next year

As promised as soon as we get the dates in for our INSET days we will share them. We have an INSET day booked on September the 27th next term and school will be closed to pupils.

A quick reminder

If your child is not in school for any reason can you please give us a ring to let us know so that we can mark the registers correctly.

Many thanks for your continued support

Mrs FD
